--	------

On the road from Kaunas to Prienai, just past Drebuline, about 300 to 500 meters left of the road, about 30 new buildings. Each building was three stories high, painted white, and about 50 meters long. In the same area, there were approximately 10 metal poles connected by wires. The poles were all of different heights, between 20 and 50 meters.
